Numbers · Niflarin

Núnúise uses a simple building-block system. Single digits stand alone. Teens are net (ten) + unit: netnoe = 11, nettow = 12. Twenty is towazer (two-zero); twenty-one onwards drops the zero: townoe, towtow... townein. Thirty is rheetazer; thirty-one is rheetazerno. Dates are written day/month/year using numbers: noe/netnoe/toworuf = 1st January 2024.
